

About SUPERFISH ...

Superfish S.A. is one of the leading producer of marinated and salted products in Poland with modern processing plant located in Kukinia. The company is specialized in production of: rollmopses, bismarcks, herring rolls, salads, fish in jelly and herring a`la matias. Superfish was established in 1990 and currently is one of the biggest sellers of herring products. In 2007 Superfish became the part of Graal Capital Group, which is the biggest subject in fish industry.
